(incl. floorspace rental, stand construction and services)

You will find details of the system stands together with pictures at swissbau.ch/systemstands. System stands that have been ordered can be cancelled free of charge up to 1 December 2019.

GENERAL CONDITIONS OF CONTRACT

Applicable Regulations

In signing this registration form, the exhibitor acknowledges the Exhibition Regulations and the Data Protection Declaration of the MCH Group to be binding. MCH Swiss Exhibition (Basel) Ltd. reserves the right to issue and enforce appropriate further regulations and instructions in individual cases. The provisions of the General Regulations, the Logistics Regulations and the Stand Construction and Design Guidelines also apply. You will find the documents at swissbau.ch/exhibitor.

Advance payment (deposit)

A deposit will be charged for technical services and other services (parking, media entry etc.) together with the advance payment for the stand area (stand area up to 40m² CHF 1 500, stand area 41 – 80m² CHF 2 000, stand area 81m² and more CHF 2 500). The advance payment will be offset against the actual costs incurred after the exhibition (in the final exhibition invoice).

Technical connections and other services

Once the stand positions have been allocated, exhibitors will be sent further information on how to prepare for their participation in the exhibition. Technical connections will only be arranged and further services provided if they are ordered on the forms provided for this purpose (exception: system stands). You will find all the order forms in our internet ordering service "m-manager" at m-manager.com. Please note that partition walls can only be provided on receipt of a separate order.

Stand Construction and Design Guidelines

The stand position offers will be sent out together with the mandatory Stand Construction and Design Guidelines for the stand position in question.

Data protection provisions

MCH Swiss Exhibition (Basel) Ltd. guarantees data protection in accordance with the Swiss Data Protection Act, the EU General Data Protection Regulation and the Data Protection Declaration of MCH Group Ltd. The exhibitor's personal and company data will be processed by MCH Swiss Exhibition (Basel) Ltd. or by commissioned third parties for purposes of handling the contract, customer care and market research. In addition, MCH Swiss Exhibition (Basel) Ltd. makes this data available to other subsidiaries of MCH Group Ltd., foreign representations of MCH Group Ltd. and external service partners for purposes of establishing contact and providing services in conjunction with the exhibitor's participation in the exhibition. The exhibitor hereby gives his/her consent to this insofar as no express objection has been lodged.

Confirmation of contract by the exhibition management

Upon receipt of this registration form, the Exhibition Management will send out separate confirmation of the definitive position that has been allocated. This confirmation will have the effect of making all sections of the Exhibitor Contract legally binding. The confirmation forms an integral part of the Exhibitor Contract.

Declaration

In signing the registration form, the exhibitor acknowledges that he/she has received a copy of the Exhibitor Regulations and the Data Protection Declaration of the MCH Group and has noted and accepts the General Conditions of Contract, the provisions of the Exhibitor Regulations and the Data Protection Declaration of the MCH Group.

Applicable law / place of jurisdiction

Swiss law shall apply. The courts of the Canton of Basel-Stadt shall be competent.
