

MEETING POINT VENTILATION & AIR CONDITIONING

**BUILDING
FUTURE
TOGETHER**
16–19 January 2024

IN HALL 1.1 | FOR THE ENTIRE DURATION OF THE TRADE FAIR

We now have a common place for several exhibitors under one roof in the meeting point Ventilation & Air Conditioning. While the general fair is divided up into individual exhibition areas, the catering zone in the middle is open to everyone. The physical proximity forms the foundation for a natural exchange between participants from the same industry and the specialist audience. You benefit from an attractive All-In Package, can present your brand with minimum effort and optimally use the existing synergies.
